News and Notes

Fruitridge is still a work zone!!

Construction is almost completed. The room dividers and doors are not all installed yet (as of this writing), and there are some issues with the new flooring. We are still sharing the hall with Prime 8's until the room they use is ready and the doors installed.

Speaking of Prime 8's.

Prime 8's is in the process of securing their own night at Fruitridge. Stay tuned!

New Class Set To Graduate!

Our New SSD class continues with Allan Hurst instructing. Graduation is planned for January 10th! Be sure to come on out and have fun dancing with the new SSD graduates! We are still running class interspersed with full SSD, Plus and Advanced dancing with Prime 8's. We are trying to accommodate all levels.

SSD Workshop was cancelled.

Unfortunately there were not enough new class members available to hold the SSD workshop.

All level work shopping from January through March.

At the most recent board meeting it was decided that we would hold another SSD class in the spring. But until that happens the club will be dancing all levels based on who is present to dance!

Looking for an events Coordinator

Would you like to arrange a gathering? Pot Luck? Holiday Party? Walk in the park? We need someone to step up and organize events like these. Please contact a board member if interested!

New website for our local ASDSC association

Our local association ASDSC has a new website! The link below still works, but it's got a new look and new feel! Check it out!

Square Dance Events

Looking for someone to coordinate club members to attend local and bay area square dance events. We had a nice representation of our local association clubs and our sister clubs from the bay area at our Anniversary dance. It would be nice to reciprocate.

There are many square dance opportunities available to attend. Besides the dances noted on the following pages, feel free to go online and check out additional events.

- www.asdsc.org (Sacramento region square dance events)
- www.iagsdc.org (National & International LGBT+ square dance events)
- www.capitalcitysquares.org (our own club events)
