News and Notes

CoVid Policies

Capital City Squares requires proof of current CoVid vaccination (at least 1 booster beyond initial vaccination).

Masking is HIGHLY encouraged at all times **and** may be required by our club and/or the facility during times when CoVid case rates are higher.

CoVid is becoming endemic (a regular part of life) because so many vaccinated people may not have symptoms even when they get it. Actions we can all take:

- Please practice self-protection in everyday life as well as on Wednesday evenings.
- Please do a home test or through a testing center or doctor's office if you have symptoms or known exposure.
- Because we are all out/about more around the community AND all the people we are around may not even know they have CoVid until they have already exposed others – you are HIGHLY encouraged to use the apps from Apple and Google for “exposure notification”. These apps protect privacy AND notify you if you (your phone) has been close to someone else (their phone) who later tests positive. Click here for more information, video clips and instructions → **EXPOSURE NOTIFICATIONS**

Convention & Golden State

Hopefully, many folks were able to take advantage of Golden State this past weekend in our own backyard (Lodi). The chance to dance to a variety of callers a really great experience.

Some of us were able to go to IAGSDC Convention in Minneapolis. Thankfully, the venue was fairly well air conditioned so that we all could stay cool enough in our masks. This year's Convention was assuredly smaller than usual, but it was a true delight to get together with familiar faces for dancing, Honky Tonk Queen Contest, Pop Star Patter, and the Fun Badge Tour. Plan now for July 2023 in Ottawa and 2024 in Durham.

Sacramento Pride

We will be participating in Sacramento Pride Parade on Sunday, 12 June downtown, Rich Reel will call for us as we march, dance, and celebrate along the route (just under 1 mile in length). If you are interested in participating, please check in with Sara or Alan Langdon. You can dance, hand out cards and beads, engage parade onlookers. The more the merrier.

Summer Dancing

Our club caller, Tom Kaiser, is in Michigan for the summer. We have some great summer callers lined up, starting with Mike Halley for the month of June. There is also the possibility that Sandie Bryant may make an appearance soon.

As the world continues to “re-open, it's a joy to have the opportunity to dance all summer long. Take advantage of our Wednesday night workshops along with more formal dance event opportunities. A sampling of some of those dance events are on the following pages.
